fyi: answer to permits status question on CAC call.

Attached below is the spreadsheet for all CWA 404 and RHA10 permits submitted to TCEQ from USACE for evaluation, per the special conditions and boundary around SJRWP.

The spreadsheet does not include the USACE maintenance dredging (i.e. USACE letter July 20, 2011). TCEQ informs that they have no plans to respond as they were not the addressee.

Hi Stephen,

Please list the permits processed (from when the special conditions started):

<u>Sequence Number</u>	<u>Permit Number/Name</u>	<u>Date</u>	<u>Approved/Not Approved</u>
------------------------	---------------------------	-------------	------------------------------
